

Renewed life

जपाकुसुम संकाशं काश्यपेयं महाद्युतिम् ।

तमोरिं सर्वपापघ्नं प्रणतोस्मि दिवाकरम् ॥

I pray to the Sun, the day-maker, the destroyer of all sins, the enemy of darkness, of great brilliance, the one who shines like Hibiscus flower.

We lead the way in solar and provide solutions that exceed customer expectations

Detail-oriented meticulous Production Process

Automated robotic production facility

You name it, we have it

Modules certified for various geographic and adverse climatic conditions

Certifications

IEC 61701
(Salt Mist Test)

IEC 60068 - 2 - 68
(Sand & Dust Test)

IEC 60904 - 1 & 7
(Calibration)

IEC 62759 - 1
(Transportation Test)

IEC 62804
(PID)

IEC 62716
(Ammonia Test)

IEC 61853 - 1
(Power Rating Standard)

IEC EE CB SCHEME
61215, 61730 - 1 & 2
(Design & Safety Test)

Solar panels that give high specific yield

Deployment of best manufacturing practices
- QMS Systems

Manufacturing facility
- Surat, Gujarat (INDIA)

• Good encapsulation, quality ribbons and high efficiency cells ensure rated power output

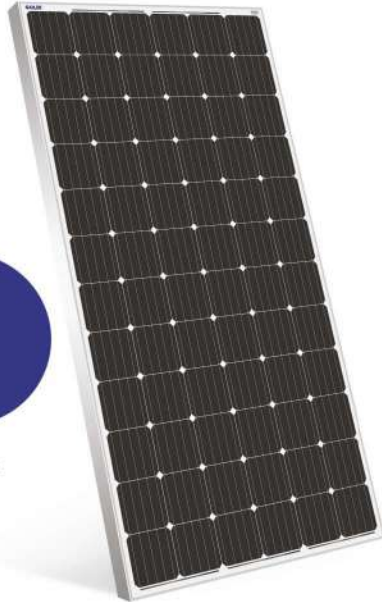

• Constant internal/external quality checks to maintain product consistency

Makers of Mono and Poly crystalline solar panels

GOLDI 72 GN1 Mono PERC Module

Best-in-class power capacity rating of **380 Wp**

GOLDI 72GN Poly Module

Best-in-class power capacity rating of **340 Wp**

Positive power output guaranteed

Loss minimization due to excellent temperature co-efficient

System voltage

BOS cost reduction and higher specific yield

High grade raw materials

Higher yield

IECEE standard

BIS standard

Range of Mono Modules

Range starts from 180 Wp

- Goldi 72 GN1 Mono PERC - upto 380 Wp
- Goldi 66 GN1 Mono PERC - upto 350 Wp
- Goldi 60 GN1 Mono PERC - upto 320 Wp
- Goldi 54 GN1 Mono PERC - upto 290 Wp

Range of Poly Modules

Range starts from 155 Wp

- Goldi 72 GN Poly - upto 340 Wp
- Goldi 66 GN Poly - upto 305 Wp
- Goldi 60 GN Poly - upto 280 Wp
- Goldi 54 GN Poly - upto 255 Wp

Applications

- Street lighting systems
- Home lighting systems
- Solar agricultural pumping systems
- Residential rooftop systems
- Utility scale solar systems
- Commercial / Industrial systems
- BIPV (Building integrated PV)

Range of Cut Cell Modules

Range starts from 3 Wp

- Goldi DuoApex 144 GN - upto 340 Wp
- Goldi DuoApex 120 GN - upto 280 Wp

EPC | A natural extension of our expertise

We offer comprehensive turnkey solutions by deploying world-class technology to design, install and commission solar projects across India.

Our strength lies in our highly skilled and dedicated EPC team. Timely execution supported by planning & scheduling is our key success

2000+
Customers
added in just
2 years

• DNH-PDCL,
Silvassa,
1.4 MW

• Vadodara,
Gujarat
675 kW

• 250 kW roof-top solar power plant & 425 kW of car port integrated solar power plant at Shrimad Rajchandra Trust - Dharampur, Gujarat

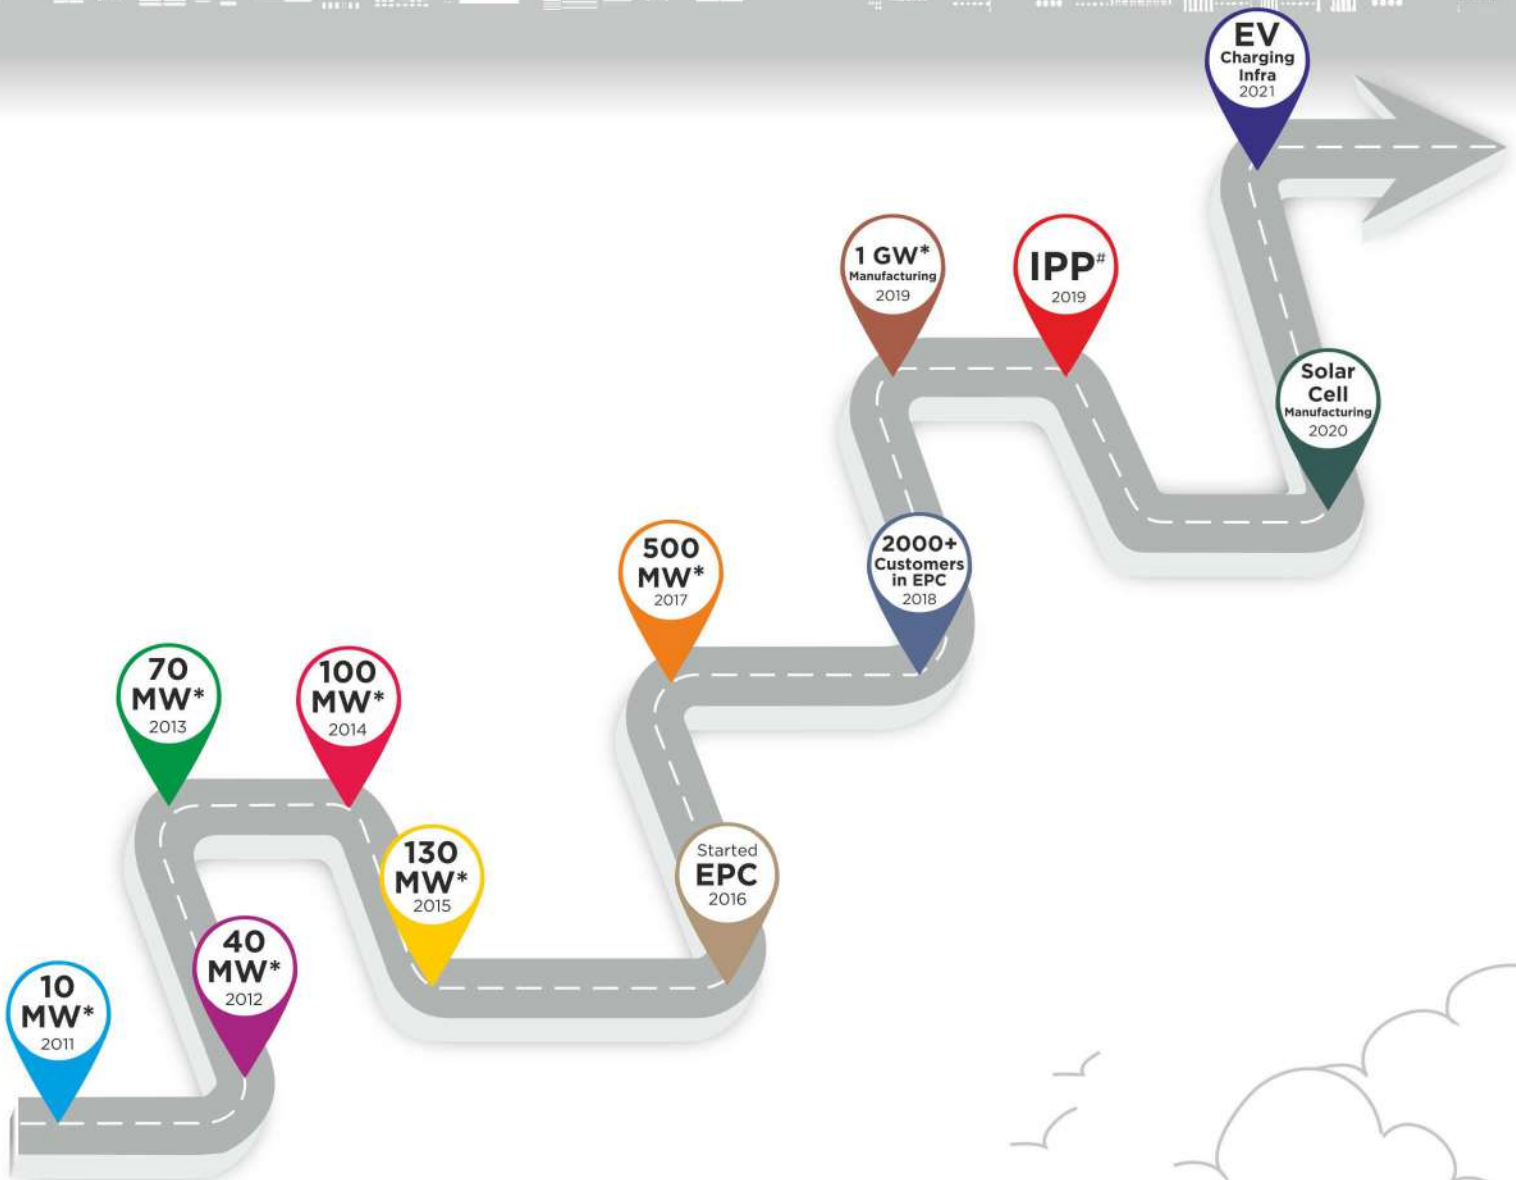

• Radhadarshan Petropack LLP,
Kim, Gujarat
360 kW

• Surat Municipal Corporation, Gujarat
Varied Waterworks Sites - 2 MW

A vision backed by a stellar reputation

Our Growth Story & Road Ahead

*Annual Mfg. Capacity

#Independent Power Producer

Exports to **12+** Countries

Croatia, Denmark, France, Germany, Greece, Italy, Myanmar, Turkey, UAE, USA and more...

3 out of every 4 individuals with us were the under-privileged

Today, we are privileged to have them

Our manufacturing facility is located near a tribal belt. Over the past 7 years, we have trained and educated the tribal youth on technical and professional skills.

They are our true strength, their zeal and dedication is unmatched
